

Join us TARA

To support our Association, the Trade show and Conference is one of the main fundraising events for our association with 100% of raised funds going to support our projects in Texas for the Auto Recyclers.

Built on the success of our Cash and Prize Raffle last year, we are again hosting our 2020 Raffle on November 7th.

Since our success depends a lot on the generous support from the corporate sector, we sincerely hope your company would consider donating prizes to help us raise money for the Association. Of course, your company's donation will be acknowledged and publicized to a wide group of members and non-members alike throughout our event communications.

You are most welcome to donate big prizes or multiples of smaller prizes. Gift cards, vouchers for your products, electronics the greater the prizes the better it will enable us to sell more tickets.

Please contact Nandy about submitting your donations for this one event for our 2020 Calendar year.

Texas Automotive Recyclers Association has in order 1000 ticket to be sold. You may purchase your tickets by contacting one of our Board of Directors or you may contact TARA directly. **Tickets are \$50.00 for 1 or \$150.00 for 4**
