Texas Automotive Recyclers Association (TARA) works to aid its members and the public in the purchase of parts, vehicles and the sale of used parts; strives for continuous improvement in the operations of the industry; fosters programs for environmental benefits; improves public awareness of used automotive parts recyclers; deters auto theft and sale of stolen parts; impacts consumer safety; and aids and directs all impending legislation of related to the industry.

THANK YOU ATTENDEES!

Thank you for attending our 2021 TARA annual meeting and Raffle. We are looking to host the 2022 TARA Tradeshow and Conference in WACO area and we hope you can join us. We will offer class sessions, technology centers, hands-on learning and product use from our exhibitors. Please consider us for next year and if you need anything, let us know! 432-999-3274

***TARA:** A better value today for a better environment tomorrow, is what automotive recyclers offer their communities.*

When you invest in TARA membership, you invest in your company's legislative voice.
