### Airport:

(ctrl plus mouse click for link)

William P. Hobby Airport Houston TX  
36 min (23.6 miles) via I-45 S and NASA Road 1

Get your flights, book your room, bring the family, come early, and enjoy the area. Kemah Boardwalk is less than half a mile, it's a 7-minute walk. There are theme-park rides, a variety of shops in the Lighthouse District, and waterfront dining with lots of seafood, and for the steak lovers you should check out T-Bone Tom's Steakhouse. To quote Diners-Drive-ins and Dives, "they say everything is big in Texas, and T-Bone Tom's Steakhouse is living proof. Guy dropped by Tom's for their giant "Tom's Choice" rib-eye steak, oozing with flavor." For the Space intuitionist visit the Space Center Houston, and if you're into fishing there are some local day trips available.

TARA is looking forward to visiting with all of you, so please book soon, space is limited.
